The Treasury replied giving support to the statement that the undisbursed surplus was in the assignment at the time of grant by Rs 20,000. This was reduced to the present figure so far back as 1832 and this was confirmed by the Treasury Settlement in 1872. H. Secretary has in contemplation to reopen the question. Further the surplus is outside the state and not amenable to the Contract Act. Mines. A draft Dip. Telegram is submitted herewith 14.5.19
